Dear Chinatown Community Children's Center and all staff,

We hope this letter finds you guys in good health and high spirits. As our child's time in CCCC comes to an end, we want to take a moment to express our heartfelt gratitude for the exceptional care, guidance and education you guys have provided.

From the first day Jordan Allan walked into the classroom, we could see the positive impact you guys have had on their development. Your dedication and patience have created a safe and supportive environment that allowed our child to thrive both academically and emotionally.

Your creative teaching methods, engaging activities and thoughtful lesson plans have ignited our child's curiosity and love for learning. We have witnessed their growth in various aspects and it is evident that your passion for teaching has played a significant role in shaping their young mind.

Moreover, the classroom has helped our child build valuable social skills and friendships. The kindness and respect you demonstrate toward each child and their individual needs have left a lasting impression on our family.

We really appreciate Christine from the beginning for being so patient and supportive, your guidance and always make our job easier to enroll Jordan Allan to CCCC.

Also, we really appreciate all the teachers Jackie, Cindy, Katrina, and Vincent, Jeannie, Ashley and all the teacher assistants' kindness and patience especially Jeannie and Jackie for all those wonderful pictures and updates every day. Thank you for all your patience day to day and hold his hands. When he couldn't understand something you guys took the extra time to show him how to do it. Thank you for all the stories you guys have told, songs, quiet times, peaceful naps, all the field trips and etc. Thank you for all the sweet little things that you guys do to help our Jordan Allan all this year through and being kind, being fair and even tied his shoe and wipe every tear away.

We can't thank you guys enough but again thank you for going above and beyond to ensure our child's preschool experience was nothing short of wonderful. Your dedication, professionalism and genuine care had made a meaningful difference in our lives. We are truly grateful for your hard work and commitment. Thank you for being there in place of us. We're grateful and we'll always be.

Thank you for a great year.

Best Regards,
Su and Baston's family
